Chase Moore called meeting to order at 6:04 PM.

1. Status on Pontoon Repair

Still not working; still insured

2. Status on wooden post installation for police dock barrier along with signage

No response has been received from Keith Clements. It was suggested that it was something that some of them could possibly put up. Chase Moore is going to check to see if signs have been ordered.

3. Status on barrier to keep cars off berms

No Report

4. Status on Ordinance HL 14-05 verbiage on bladder boats

Bill Rush suggested when someone renews or purchases a sticker to check on their registration paperwork for clues that it could be a bladder boat such as "Inboard", year 2000 or later. Timmy Moore suggested that maybe it needs to be approached not as a bladder issue but an issue about the wakes that are made. Chief Scott Kon suggested that maybe it needs to be a conversation on whether they can have a bladder boat but just not be allowed to fill the bladder since the concern is with making big wakes.
