section if the taxpayer also during the same license year sells and delivers into the taxing jurisdiction using a delivery vehicle other than a common carrier.

- (c) A common carrier, contract carrier, or similar delivery service making deliveries on behalf of others shall not be entitled to purchase a delivery license.
- (d) The delivery license shall be calculated in arrears, based on the related gross receipts during the preceding license year.
- (e) The purchase of a delivery license (or the exemption from the purchase of a delivery license pursuant to subsection (f) shall not, in and of itself, establish nexus between the taxpayer and the municipality for purposes of the taxes levied by or under the authority of Title 40 of the Code of Alabama or other provisions of law, nor does the purchase of a delivery license conclusively determine that nexus does not exist between the taxpayer and the municipality.
- (f) A taxpayer that otherwise meets the criteria for the purchase of a delivery license is not required to purchase a delivery license or a regular business license if (i) the taxpayer's gross receipts that are derived from within the municipality do not exceed \$10,000.00; and (ii) the taxpayer has no other physical presence within the municipality during the year.
